

EUROPEAN MOBILITY WEEK

16-22 SEPTEMBER 2016

CHOOSE MOBILITY THAT MOVES
OUR ECONOMY FORWARD

Smart mobility. Strong economy.

#mobilityweek

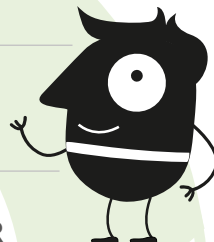

Each year from 16-22 September, Europe celebrates its biggest sustainable urban transport event.

In 2016 the campaign focuses on
'Smart and sustainable mobility – an investment for Europe'

Cities and towns are encouraged to register their week of activities on
www.mobilityweek.eu

What if you want to join
EUROPEAN MOBILITY WEEK
but are not a local authority?

THEN YOU CAN REGISTER YOUR

MOBILITYACTION

PROMOTING SMART AND SUSTAINABLE URBAN
TRANSPORT **ALL YEAR ROUND ON**

<http://mobility-action.mobilityweek.eu/login.php>

Helping to make transport more sustainable?

We want to hear about it! Registration is open to everyone:

NGOs / Academic institutions / Local, regional and national authorities /
Public institutions / Public and private organisations / etc.

Your **MOBILITYACTION** can be limited to a specific day or last for several weeks/months. The registration form must be submitted in English and the action must promote a behavioural shift towards a more sustainable urban mobility culture. A complete explanation of the participation rules can be found online at:
www.mobilityweek.eu/mobility-actions/eligibility-criteria/

Once registered, your action will be displayed here: www.mobilityweek.eu/mobility-actions/registered-actions/

Whether you've decided to cycle to work with your neighbours, or you're a business owner taking action to encourage your employees to use public transport, we're eager to help you share your success story!
